

**INDIVIDUAL CERTIFICATE FOR APPOINTMENT AS CONTRACTING
OFFICER'S TECHNICAL REPRESENTATIVE/ALTERNATE CONTRACTING
OFFICER'S TECHNICAL REPRESENTATIVE**

I certify that I do not have an interest in, or connection with, the company involved in the contract for which I will serve as Contracting Officer's Technical Representative (COTR) or Alternate Contracting Officer's Technical Representative. I agree that at any time I discover that I have an interest in, or connection with, the company, I shall disqualify myself from my COTR duties and shall promptly report, in writing, the fact of my interest or connection, and the nature of it, to the person who has appointed me as the COTR on the contract involving the company.

I recognize that a reportable interest or connection includes the following:

- a. Ownership of a company's securities or an employment relationship in the company by myself, my spouse, my child, or my partner, a trust, company, or partnership in which I have an interest.
- b. A family relationship to an official or an employee of a company.
- c. An employment relationship in the company of myself, my spouse, or child.
- d. Any other interest in or connection with a company, which might tend to subject NASA to criticism on the basis that such interest or connection would impair my objectivity in participating at the COTR.

I further certify that I have read the Standards of Ethical Conduct for Employees of the Executive Branch.

I further certify that I have a current OGE 450, Confidential Financial Disclosure Report, filed with the Office of Chief Counsel.
